By providing us with your personal information, you acknowledge that you have had a reasonable opportunity to read and accept the Privacy Policy and you consent to the collection, use, holding and disclosure of your personal information as outlined below.

1. TYPES OF PERSONAL INFORMATION WE COLLECT

We collect the following types of personal information:

- identity data (including your name and username or similar identifier);
- contact data (including your contact details such as your billing and delivery address, email address and telephone number);
- transaction data (including details about payments to and from you and other details of services you have purchased from us);
- technical data (including your internet protocol (IP) address, your login data, browser type and version, time zone setting and location, browser plug-in types and versions, operating system and platform, and other technology on devices you use to access our Website);
- profile data (including your username and password, purchases made by you, your interests, preferences, feedback and survey responses);
- usage data (including information about how you use our Website and services); and
- marketing and communications data (including your preferences in receiving marketing from us and our third parties and your communication preferences).

2. HOW WE COLLECT YOUR PERSONAL INFORMATION

We collect your personal information when you make an enquiry with us (by telephone, email, contact form) or when you sign up for a service from us.

We use lawful and fair means to collect your personal information in the following ways:

- by you providing it to us;
- by you authorising third parties to provide it to us;
- by other parties providing it to us either voluntarily or pursuant to compulsory processes we conduct on your behalf.

Third parties may use cookies, web beacons and similar technology to collect or receive information from our Website or from you and from elsewhere on the internet and use that information to provide measurement services and targeted advertising (such as Facebook pixel, Google Analytics and AdWords). If we receive your personal information from third parties, we will protect it as set out in this Privacy Policy.

We will destroy or de-identify information where we form the opinion that your personal information has been provided to us unlawfully or unfairly.

3. WHY WE COLLECT, HOLD, USE AND DISCLOSE PERSONAL INFORMATION

We will collect, hold, use and disclose your personal information as is reasonably necessary for us to perform our core functions and activities, including for the following purposes:

- to contact and communicate with you;
- to offer and provide products and/or services to you;
- to maintain a database of customers, subscribers or similar;

- to market to you and others, including remarketing (this may involve the use of a Google or Facebook pixel or similar technology to allow us to display our advertising to you elsewhere on the internet, for example, on Google or Facebook);
- for internal and external administrative processes including financial and business operations and reporting requirements;
- as required by law or court order.

If we disclose your personal information to third parties for these purposes, we will do our best to ensure that their privacy policy adheres to similar standards of privacy protection and/or request that the third party follow this Privacy Policy regarding handling of your personal information.

We will not use or disclose your personal information for the purpose of direct marketing unless you have consented to the use or disclosure of your information for that purpose.

We will not disclose your personal information for any purpose other than the purpose for which it was collected without your consent, unless we are required to do so by law or court order.
